

ABOUT AURORA

EDITION 1.0

The tank top is a warm weather staple, and with good reason, when the weather turns warm it is the easiest garment in your closet to reach for. *Aurora* delivers all of the benefits of a classic tank top but with gorgeous modern details. This 2 hour project offers ease and versatility. The shoulder yoke and gathers offer soft shaping, while the back yoke and box pleat create a stunning focal point.

Make *Aurora* out of a luxurious silk jersey for a sophisticated evening look. Or sewn up in a simple cotton knit, *Aurora* can be worn with shorts and summery skirts. In cooler months layer with a cardigan for a sweet transitional look.

SUPPLIES All-purpose thread, ballpoint needle, twin needle (optional).

MAIN FABRIC Light to medium knit fabrics such as jersey, french terry, or double knit with at least 25% 4-way stretch (use gauge below)
