

ABOUT NANTUCKET

Summertime is for picnics in the grass, cookouts, and days spent by the pool. Cool and casual, our *Nantucket* shorts will become your go-to garb for all occasions. The waistline has a drawstring closure for an adjustable fit, a critical feature for important summer events like that watermelon eating contest or the hotdog roast at your neighbor's barbecue.

The *Nantucket* shorts have overlapping front panels and grommets at the waistband, taking them up a notch from the usual summer shorts. They sew up beautifully in cotton chambray and lightweight twill, or try a fun rayon print to shake up your summer wardrobe. From cut to finish, *Nantucket* takes only three hours to create. These shorts are so easy to make and wear that you will want to sew up several pairs.
