

ABOUT MOJI

EDITION 1.0

When it comes to pants, it doesn't get much more stylish than *Moji*. Nervous to make your first pair of pants? Or just don't feel like fussing with a fly? *Moji* is a breeze to sew and takes just three hours to stitch up.

Moji has a relaxed fit through the hips and tapers to a peg-fit at the ankle. With a simple drawstring waist and practical pockets, these fashion-forward pants are a casual staple when sewn in lightweight denim. *Moji* can easily transform to a chic, polished look when made in wool plaid. Pair *Moji* with *Akita* (*Seamwork* Issue No. 10) and you have a perfect outfit for fall.

SUPPLIES All-purpose polyester thread, two yards of 1/4" cording or 1/2" ribbon for the drawstring, two 1/2" grommets, bodkin or safety pin.

MAIN FABRIC Medium to lightweight fabrics such as twill, poplin, chambray, denim made of fibers such as polyester, rayon, cotton, linen, and wool.
