

ABOUT RIO

EDITION 1.0

With its subtle high-low hem and flattering, relaxed fit, *Rio* is the perfect T-shirt. *Rio* features fitted short sleeves and a flattering scoop neck. The split hem adds interest and provides additional ease through the hips. This wardrobe workhorse sews up in just one hour and can be adapted for many occasions and activities.

Make *Rio* out of a moisture-wicking jersey for a comfortable, athletic look. Or choose a rayon knit, perfect for pairing with casual pants like *Moji* (*Seamwork Issue #10*), and layering with a cardigan like *Oslo* (*Seamwork Issue #1*). To customize this classic, create your own printed fabric, add a patch pocket, or use this month's Block Paper Scissors hack to create a stunning back keyhole.

SUPPLIES

All-purpose polyester sewing thread, ballpoint or jersey needle, ball-point twin needle, one - third yard of $\frac{3}{8}$ " clear elastic.

MAIN FABRIC

Most lightweight jersey knits with at least 25% stretch, made with cotton, soy/organic cotton, bamboo or rayon. Athletic made with nylon, spandex or rayon blends (such as ponte knit and milliskin).
Optional: Mesh fabric for the back bodice.
