

ABOUT PERRY

EDITION 1.0

Date night calls for a dress that is as fashionable as it is comfortable. With its sleek style lines, seductive front skirt slits, keyhole, and romantic sleeves, *Perry* is an easygoing frock that helps you bring your A-game. Pair it with a well-tailored jacket, your favorite pair of heels, and a bold lipstick for a look that can hold up through dinner and drinks.

Perry is both fun and flirty. You can go from cutting to hemming in just a few hours, meaning this will become a wardrobe staple—not just for date night. Best of all, this dress is seamlessly interchangeable with *Layton*, so you can mix and match the tops and bottoms to create an entirely new look!
