

ABOUT HARRINGTON

It's time to have fun in the sun this month, and what better way to do so than to head to your favorite water spot. Whether you frequent a lake, river, beach or your backyard swimming pool, grab some friends, a cooler full of snacks and beverages, sun screen, a floatie and you're ready for some serious summer relaxation. *Harrington* is the perfect pair of swim trunks for all sorts of water activities. *Harrington* has a wide elastic waistband accompanied by a drawstring for maximum comfort, mesh lined pockets to keep water out of unnecessary places, and a vintage inspired inseam length. You can also make *Harrington* out of a lightweight woven fabric such as chambray or linen to wear regularly throughout the summer. Pair *Harrington* with *Eugene* (*Seamwork*, Issue 20) or *Paxson* (*Seamwork*, Issue 11) for the perfect summer outfit.

SUPPLIES

All-purpose polyester sewing thread, one ⁸⁰/₁₀ sewing needle, 2 ¹/₂ yards of drawstring, two yards of 2" wide elastic, one bodkin or safety pin, ³/₈ yard of polyester mesh lining.

MAIN FABRIC

Men's swimsuit material such as poly/nylon blends.
