

ABOUT LYNN

It's the last month of summer, but you still have time for one - or two - more vacations before your fall obligations take precedence. Give summer a final hurrah by taking one more road trip, plane, or train ride to a fun and relaxing destination to treat yourself. *Lynn* is the perfect dress for traveling in style and comfort. This knee length, tailored version of a shift dress with short sleeves is perfect for traveling. With just the right amount of ease throughout, you won't have to worry about sitting for long periods of time. If you can, make sure to make plenty of pit stops to show off your travel style.

Lynn has plenty of options for customizing, such as the contrast front and back yoke, center back placket, and bias binding along the neckline. Make *Lynn* in a colorful printed quilting-weight cotton with a georgette yoke and fun buttons. Alternatively, make *Lynn* up in a solid color linen with a lace yoke for a subtle, year-round classic. Pair *Lynn* with *Elmira* and you have a phenomenal outfit that will take you through the year. This versatile wardrobe staple is perfect for any situation, from office, to cocktails, to vacations.
